Misha Manimaran

Student at unisel
Selangor, Malaysia

Experience

He & She Coffee Shop (UNISEL)
Application Developer
October 2025 - Present (5 months)

Developed QR-based mobile application, DrinkNGo, to optimize on-site ordering and minimize cashier delays. Engineered cross-platform UI in Flutter, integrating Firebase for authentication and real-time data updates. Collaborated with stakeholders to refine requirements and iterate on UI/UX design, ensuring seamless functionality before release.

SRS Bid Solutions
Web Developer
September 2024 - April 2025 (8 months)

Developed a web-based bidding system using a CMS (WordPress) to manage bid submission, review, and administrative workflows. Customized and maintained responsive front-end pages using HTML, CSS, and JavaScript within the CMS environment.
